Notes:

- Beginning 2006/2007, graduate FTES were calculated at 12 units instead of 15
- * Summer 2001 was the first state-support summer semester at CSULB
- ** Academic Year (AY) average FTES is the annualized average of fall & spring semesters
- *** College Year (CY) average FTES is the annualized average of fall, spring, & summer semesters

Labeling: HC = Headcount, FTES = Full-time Equivalent, Student, AUL = Average Unit Load
